Dear Pastors and Friends:

We have all had a life changing experience since Andrew and Vanj's baby arrived. They named him after me and I am deeply honored. I am also very thankful to the Lord that my son and two grandsons have chosen to follow the Lord and preach the Gospel to the lost and dying of the world. It has been such a blessing to my heart to see how the Lord has used them in His work.

Andrew and Vanj arrived on Saipan and he has been doing most of the preaching. We are trying to help them get settled and help them get familiar with all the work he will be doing while I am in the US for medical treatment. Everyone keeps telling me I will have to get a knee replacement. Please keep me in your prayers.

I hope to get this done and return to Saipan as soon as possible. I know I need to take a furlough and give a report to my supporting churches but I have not been able to leave the work unattended. I do hope to take a furlough when Joshua gets his support raised and returns in another year.

Everything seems to be going well. The people are happy to have Andrew and Vanj, but they mostly love the baby.

We have lost one Chinese family from the church. The Dad is Buddha and wants his family to follow Buddha. Another family has been in China since before Christmas. They have returned to Saipan and opened a large store that sells air conditioners and appliances. Just this week they expressed their desire to attend church again. They bring with them 5 children and a sister and her children. Please pray for the salvation of Mr. Hao, Elaine Zhou, his wife and her sister and all the children. They are very open to us and the Word of God.
