“A WORLD VISION”

Dear Pastor and Faithful Praying Friends,

March-April 2017

We have said a number of times that our Lord had a world vision and we therefore should have a world vision as well. Where do we get this? In the Great Commission Jesus commanded that we go into all the world with His message. It is impossible for any individual to go into all nations. This command was given to the disciples, now passed to the church, and it is their responsibility to take His message to as many nations as possible. When we give and pray for missions we are helping. When we were in Guadalajara I felt the burden to put the message into all of Latin America. As we began we were on World Harvest Network that linked up with another of their transmitters that took the signal into Asia and Europe and then to other places. Little by little we got on other networks with fresh opportunities and the Lord's message was being carried into every country. Satan didn't like that and his forces set out to thwart all efforts until several countries had to be discontinued. I turned a few minutes ago to Mark 16:15 and it still read, "go ye into all the world". Luke 24:47 is a companion verse that reads "...repentance and remission of sins should be preached in His name among all nations..." We also share that same vision. These verses are as relevant as when they were written. In the present age, through modern technology we are able to reach into countries where missionaries are not permitted to go. In our praying we can ask the Father to open doors and send more laborers into the vast harvest fields. We had hoped to make a gigantic stride in a forward direction in 2016 but fell short. We had to do what we could as God enabled. Perhaps more can take place in this new year.

In our last letter we spoke about our love and appreciation to you for all you have done. May God continue to bless you as an instrument of His to help rescue those in Satan's captivity. I need your prayers more than ever. We certainly have a great and gracious Heavenly Father.

Yours in Christ to Get Into all the World With the Word,

Your love, prayers and gifts help to reach the unreached with the good news of salvation through Jesus our Saviour.
