"DISCOURAGEMENT"

Dear Pastor and Praying Friends,

September -October 2017

I suppose discouragement does more in bringing on defeat for the cause of Christ more than anything. We are encouraged when God is blessing and sinners are being saved and all is going well. Satan doesn't like this and he comes with discouragement, and we soon forget James 4:7 to submit ourselves to God, resist the devil and he will flee. Somehow his accusations seem so realistic because we are fallen creatures. He causes us to feel inferior, unworthy or undeserving when the giant of fear comes our way. It took only eight spies to discourage all the Israelites from possessing the land God had given them. (Numbers 22:5) (Deut. 1:28)

Things were going well for awhile, souls were being saved, a lot was being purchased, plans were being made to begin a simple building they could call their own place to worship. The enemy of souls became enraged accusations and threats were being made. Hearts became faint and many of the folks left the congregation discouraged. The Lord had declared that he would be with them through all sorts of difficulties. Some of the folks felt the need for a season of prayer. They felt God was far superior than what man was able to do. They decided to stay home from work for three days to meet at the church for prayer. Defeat vanished, and they were endued with fresh courage. They recalled 2nd. Kings 6:16... "they that be with us are more than they that be with them". When king Hezekiah received a threatening letter from the enemy, he took it to the house of God, and spread it before the Lord. That night God sent an angel who destroyed one hundred and eighty five thousand Assyrians. Just to read of this account will somehow give a discouraged person fresh courage. He is the same God we serve today and can do great and wonderful things. In these last days we find discouragement in all phases of God's work, but may He encourage us with His never failing help to be over comers. We should always remember one man and God are always the majority. Please pray for the new converts, and us who are not exempt from discouragement.

Please accept our gratitude for all you do that makes this ministry possible. For me, it would be very sad to be born in a country where there are no Bibles or any mention of Jesus' name.

We should remember the servants of God, and some labor under discouragement, that He would help them to be over comers.

Thank you graciously for helping us reach the nations for Christ,

*We pray all is well
and God is blessing.*
