

Russ and Teresa Simpson Missionaries to "Native America"

***Matthew 9:36 "But when He saw the multitudes,
He was moved with compassion on them..."***

Dear Pastor and Fellow Laborers for Christ, OSIYO,

Jul/Aug2017

Luke 15:10

***"Likewise, I say unto you, there is joy in the presence of the angels of God
over one sinner that repenteth."***

We have been blessed in many ways here this summer in Oklahoma. The temperatures have been unseasonably cool. We did not have a single day of 100 degree temperatures, Praise the Lord. Some of the older folks around here have been saying this means we might have a cold snowy winter. For us who came down from Alaska, this doesn't seem to bother us.

A few of our folks have had surgeries of late and we thank the Lord that He has brought them through these operations. Bro. Danny just recently went thru a quadruple bypass surgery and continues to regain his strength each day. Teresa has helped me with the music as I have been conducting in Bro. Danny's absence. Ms Betty just went thru rehab for a broken hip and Ms Sharon Warner an operation for circulation in her legs. We appreciate your prayers for these folks as they continue to get better.

What a blessing! Ms. Teresa has been working with one of our young girls for quite a while. When she started with us she was very confused about the true meaning of Salvation. Well after much council and prayer, at the end of July, God reached down and got hold of Jessica's heart, and she accepted Jesus Christ as her personal Lord and Saviour. Praise the Lord!

Wednesday nights continue with our exploration through God's Word to answer some questions people are seeking answers for. Many of the discussions continue beyond our normal church hours, but everyone seems to forget about the time as we enjoy reasoning together in God's Word. Second Sunday meals continue to be a good time of preaching, teaching, fellowship and food. In August we had a "Bring Them In" Sunday and we had many attend, but we were still hoping for more. Continue to pray as we have been down in number throughout the summer and hope to see more return in the fall.

As we send this newsletter, our thoughts and prayers go out to the people in south Texas, who are going thru the aftermath of hurricane Harvey. We pray God strengthen and comfort you during this time. And especially to our churches down in that area; may God through His infinite mercy and grace sustain you and supply your every need. Our prayers are with you!

Thank you all for your continued prayers and support,
In Christ,
Russ and Teresa Simpson
Missionaries to Native America
