
New Work in Liverpool

11 Years ago, God established Beeches Road Baptist Chapel in an empty church building in the West Midlands of England. This church was due to be demolished, but God preserved it and freely gave it for the planting of a new church. God blessed this new work and out of it, three other churches have been planted in empty buildings in Oxford (2010), Brighton (2013), and Birmingham (2016). God has yet again provided another free building in the city of Liverpool, and a new church will be planted there by the end of March. We hope you will pray earnestly for Jared and Joy Kleman, who joined our ministry one year ago, as they seek to plant this new church in England's 4th largest city. God-willing, Ashlie and I will be able to travel up to Liverpool and help them with evangelism and preparation for their opening services.

The Crown Christian Heritage Trust

We would like to ask you to pray for the work of the Crown Christian Heritage Trust. The CCHT exists to plant local, independent Baptist churches all over England, support and encourage evangelism and children's work, and train up labourers to preach and teach the Gospel at Crown Hall. God has blessed the trust and is opening many exciting doors for us, such as these church-planting opportunities in Birmingham and Liverpool. I am writing this letter from a CCHT retreat for young adults that is being held this week. We are praying that God will stir many of these young Christians up to give their lives in the service of the Lord and dedicate themselves to the full-time ministry. There is so much work to be done for Christ and we are in great need of labourers. Let us pray to the Lord of the Harvest that He will call, equip, and send labourers into his harvest. If you have a Facebook account, I encourage you to like and follow the Crown Christian Heritage Trust so you can keep up to date with the work and pray more specifically.

Sincerely,

Zach and Ashlie Gillit
